### **League schedule..**

League begins week of December 3rd-5th and will end February 18-20. Playoffs for each division will be during the week of February 18-20.

\*\*Snowbird league will begin January 7th and will end February 18. Playoffs will be on February 18.

### **Rules..**

1. Format for league is “Match play”. Best of 3. 21-21-21. NO BUST RULES. Just first to get to 21!
2. Juanas provides boards and bags but if you want to bring your own bags to play with you can!
3. Teams are scheduled for a 1 hour block. Games must be completed in that 1 hour and are not allowed to play over that hour due to the respect of the next scheduled games!! If your game is not done in the 1 hour, then whichever team is winning at the time will be the winner!!
4. Captains are responsible for marking wins on the schedule posted at bar and also responsible for letting the team you are scheduled to play know if your team cannot make it for league play that night.
5. There is no “makeup” week scheduled so if your team cannot make it to regular scheduled night, the other team will receive the win!
6. All teams in league will make playoffs!! Playoff format is 1 game to 21, no bust. Double elimination.
7. Age restrictions are 18yrs old and up
8. There will be no “walkers” allowed in league. You must have a partner!
9. There are no subs allowed who are not a payed player on your team roster! Teams are allowed 1 payed sub on their roster! If they aren’t able to play, then your team will forfeit that game.

\*\*Due to the amount of teams we have had on Wednesday leagues, we will be asking teams who register for Wednesday league to mark if their team is available to be scheduled to play on a Tuesday or Thursday night as well. Your team will still play other Wednesday teams and play in the Wednesday playoffs and will not be scheduled on only Tuesday and Thursday nights. Just looking for some teams that are ok to be flexible on what night they are scheduled to play or will have to cap the amount of teams allowed to play\*\*
